Tenth Annual
CURRENT ISSUES IN ANATOMIC PATHOLOGY:
1994

FOCUS: PULMONARY AND GASTROINTESTINAL PATHOLOGY
ALSO: UROLOGIC, PEDIATRIC, AND DERMATOLOGIC PATHOLOGY

Presented by
The Department of Pathology, Division of Surgical Pathology
University of California School of Medicine
San Francisco, California
ALTHOUGH CLEARLY FOCUSING ON DIAGNOSTIC SURGICAL PATHOLOGY, this annual course also addresses a wide range of topics in anatomic pathology and explores new and evolving areas in the diagnosis and analysis of disease. It aims to provide the latest practical and theoretical information that will aid the practicing pathologist in solving those problems most often encountered in the anatomic pathology laboratory.

The tenth annual conference will span three days and overlap with one day of the Memorial Day weekend (Thursday, May 26 through Saturday, May 28, 1994). This will allow participants to combine a professional education experience with a holiday in San Francisco. Also participants will be able to register either for the entire three day meeting or for any combination of individual one day blocks. The first day, Thursday, will be devoted entirely to pulmonary and pediatric pathology; the second will be devoted to gastrointestinal pathology; and the final day, Saturday, will be devoted to genitourinary pathology and dermatopathology. This modular design will allow each registrant to individually tailor this educational experience to match personal tastes and planned activities in San Francisco.

The conference will be held at the Mark Hopkins Intercontinental Hotel located in the Nob Hill district of San Francisco. As part of the program, lunch will be provided each day at the Top of the Mark restaurant on the top floor of the hotel. The Top of the Mark restaurant provides one of the most spectacular panoramic views of San Francisco and of the Bay in the entire region. There will be ample opportunity for informal discussions with the guest and UCSF faculty at these lunches, during morning and afternoon coffee breaks, and at the reception, which follows the lectures on the first day of the course. Evenings are free for participants to enjoy the city and bay area. The hotel is ideally situated for viewing and exploring San Francisco. The California Street Cable Car provides unique transportation to Chinatown and the Financial District, while the Powell Street Cable Car (one block from the hotel) travels to Union Square and Fisherman’s Wharf. Opportunities for shopping, dining, and entertainment abound. There will be a hospitality desk at the program to provide information and assistance.

PROGRAM CHAIRS

(Library of California School of Medicine, San Francisco)

Linda D. Ferrell, M.D.
Associate Professor of Pathology

Noel Weidner, M.D.
Professor of Pathology and Director of Surgical Pathology

GUEST FACULTY

Henry Appelman, M.D., Professor of Pathology and Director of Gastrointestinal Pathology, University of Michigan School of Medicine, Ann Arbor, Michigan

Frederic B. Askin, M.D., Professor of Pathology and Director of Surgical Pathology, Johns Hopkins University School of Medicine, Baltimore, Maryland

Thomas V. Colly, M.D., Professor of Pathology, Mayo Medical School, Rochester, Minnesota; Staff Consultant in Surgical Pathology, Mayo Clinic, Scottsdale, Arizona

Lawrence M. Weiss, M.D., Director of Surgical Pathology, City of Hope Medical Center, Duarte, California

FACULTY

(University of California School of Medicine, San Francisco)

Jerome S. Burke, M.D., Clinical Professor of Pathology

Linda D. Ferrell, M.D., Associate Professor of Pathology

Russell L. Kerschmann, M.D., Associate Clinical Professor of Pathology

Philip E. LeBoit, M.D., Associate Professor of Clinical Pathology and Dermatology and Director of the Dermatopathology Service

James H. McKerrow, M.D., Ph.D., Associate Professor and Vice Chair, Department of Pathology, Chief of Anatomic Pathology, VA Medical Center, San Francisco, California

Carolyn K. Montgomery, M.D., Professor of Pathology

Marie E. Robert, M.D., Assistant Clinical Professor of Pathology

Richard W. Sagebiel, M.D., Clinical Professor, Departments of Dermatology and Pathology, Director, UCSF Melanoma Clinic

Noel Weidner, M.D., Professor of Pathology and Director of Surgical Pathology

Charles J. Zaloudek, M.D., Professor of Clinical Pathology

REGISTRATION

Date Thursday, May 26, 1994
Time 8:00 - 8:25 a.m.
Place The Room of the Dons
Mark Hopkins Intercontinental Hotel
Number One Nob Hill (Mason and California)
San Francisco, California 94108

Tuition: Participants may register for the full 3-day program at a fee of $540 or for individual 1-day sessions at $195 per session. With a letter of verification from the training program, pathology interns, residents, or fellows may register for the full 3-day program at the reduced fee of $250 or $95 for individual 1-day sessions.

The full tuition includes a referenced syllabus, lunch each day, and a reception.

Registration in advance is advised, since space is limited for the luncheons with faculty.

To register by phone or to check on registration status, please call (415) 476-5808. Applications with payment by Visa or MasterCard may be faxed to (415) 476-0318.

ACCREDITATION

Office of Continuing Medical Education (OCME) of the University of California School of Medicine, San Francisco is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing education for physicians.

OCME certifies this program meets the criteria for 19.5 credit hours in Category 1 of the Physician’s Recognition Award of the American Medical Association and the Certificate Program of the California Medical Association.

ACCOMMODATIONS

A block of rooms has been reserved for this conference at the Mark Hopkins Intercontinental Hotel, Number One Nob Hill (Mason and California), (415) 392-3434. Please make your reservations directly with the hotel, and be sure to indicate that you are attending this UCSF program in order to receive the special conference room rates ($135 Single or Double). You may make reservations by phone, or by mailing the hotel reservation form which is included for your convenience in this brochure. Please note: This block of rooms will be released one month prior to the symposium. Reservations received by the hotel after April 26, 1994 will be confirmed on a space-available basis.
Thursday Morning
May 26, 1994

8:00 Registration/Continental Breakfast
8:25 Welcome
Noel Weidner, M.D.

PULMONARY PATHOLOGY

8:30 Clinicopathologic Spectrum and Differential Diagnosis of Acute Lung Injury Patterns
Frederic B. Askin, M.D.
9:20 Questions
8:25 Clinicopathologic Spectrum and Differential Diagnosis of Idiopathic Interstitial Pneumonia/Idiopathic Fibrosis
Thomas V. Colly, M.D.

10:05 Questions
10:10 Coffee Break
10:25 Clinicopathologic Spectrum and Differential Diagnosis of Angitis and Granulomatosis
Thomas V. Colly, M.D.
11:10 Questions
11:15 Recently Described Non-Neoplastic Lung Lesions
Thomas V. Colly, M.D.
12:00 Complimentary Luncheon at the Top of the Mark

Thursday Afternoon
May 26, 1994

PEDIATRIC PATHOLOGY

1:30 Small-Round-Cell Tumors of Bone and Soft Tissue: Clinicopathologic Spectrum and Differential Diagnosis
Frederic B. Askin, M.D.
2:15 Questions
2:20 Immunohistochemistry of Small-Round-Cell Tumors with Emphasis on the New Monoclonal Antibody 013 (Antibody to the MIC2 Gene Product)
Noel Weidner, M.D.
3:05 Questions
3:10 Coffee Break
3:30 The Most Common Congenital Malformations and Cystic Lung Lesions
Frederic B. Askin, M.D.
4:10 Questions
4:15 Pediatric Ovarian Tumors
Charles J. Zaloudek, M.D.
4:55 Questions
5:00 Adjourn
5:15 Social
7:00 Wine and Cheese Reception at the Top of the Mark

Friday Morning
May 27, 1994

8:00 Continental Breakfast

GASTROINTESTINAL PATHOLOGY

8:30 The Pragmatist’s Approach to Gastritis
Henry Appelman, M.D.
9:25 Questions
9:30 Gastrointestinal Lymphomas: Diagnostic Criteria Including Low Grade Lymphomas of Proposed MALT Origin
Jerome S. Burke, M.D.
10:10 Questions
10:15 Coffee Break
10:35 Dysplasia in IBD, and Its Clinical Implications
Linda D. Ferrell, M.D.
11:10 Questions
11:15 Interpretation of the “Near Normal” Biopsy
Lawrence M. Weiss, M.D.
12:00 Complimentary Luncheon at the Top of the Mark

Friday Afternoon
May 27, 1994

GASTROINTESTINAL PATHOLOGY

1:30 Endoscopic Gastric Bumps, Neoplastic and Nonneoplastic Polyps and Mimics
Henry Appelman, M.D.
2:15 Questions
2:20 The GI Tract in the Immunocompromised Patient
Marie E. Robert, M.D.
3:10 Questions
3:15 Coffee Break
3:25 Differential Diagnosis of the Acutely-Presenting Colitides
Henry Appelman, M.D.
4:15 Questions
4:20 Pathology of Gastrointestinal Parasites — Just What You Wanted to Hear About Before Dinner
James H. McKerrow, M.D., Ph.D.
4:55 Questions
5:00 Adjourn

Saturday Morning
May 28, 1994

8:00 Continental Breakfast

GENITOURINARY PATHOLOGY

8:30 Adrenal Cortical Tumors: Clinicopathologic Spectrum and Differential Diagnosis
Lawrence M. Weiss, M.D.
9:20 Questions
9:25 Minimal Diagnostic Criteria for Prostate Carcinoma in Needle Biopsies
Noel Weidner, M.D.
9:55 Questions
10:00 Coffee Break
10:15 Molecular Biology of Solid Tumors: Practical Current and Future Applications
Lawrence M. Weiss, M.D.
11:05 Questions
11:10 Prognostic Factors in Bladder Carcinoma
Russel E. Kershmann, M.D.
11:55 Questions
12:00 Complimentary Luncheon at the Top of the Mark

Saturday Afternoon
May 28, 1994

DERMATOPATHOLOGY

1:30 Benign Melanocytic Lesions That Can Be Confused with Malignant Melanoma
Richard W. Sagebiel, M.D.
2:15 Questions
2:20 Sorting Out Those Difficult Spindle-Cell Tumors of the Skin
Philip E. LeBoit, M.D.
3:05 Questions
3:10 Coffee Break
3:30 Spectrum of Malignant Melanocytic Tumors
Richard W. Sagebiel, M.D.
4:10 Questions
4:15 Malignant Adnexal Tumors of Skin: Diagnostic Criteria and Their Distinction From Metastatic Carcinoma
Philip E. LeBoit, M.D.
4:55 Questions
5:00 Program Adjourns

NOTE: During the 3-day course, microscopes will be available in an adjacent room to view the recently described and interesting cases that will be discussed by the faculty.

APPLICATION FOR ENROLLMENT

Please detach and mail with payment to:
Office of Continuing Medical Education
Registration Office, Room LS-105
University of California
San Francisco, California 94143-0742

FOR REGISTRATION INFORMATION, PLEASE CALL (415) 476-5808.

Participants may register for the full 3-day program ($495), for an individual 1-day session ($195), or for a combination of 1-day sessions ($195 per session). Reduced fees of $250 for 3-days and $95 per 1-day session are available to pathology interns, residents, or fellows if a letter of verification from training program is submitted with application form.

To register, please check the appropriate box(es) below:

☐ Full 3-day Program Registration
☐ Thursday Session (M3419A)
☐ Friday Session (M3419B)
☐ Saturday Session (M3419C)

Please make checks payable to Regents UC. To pay by Visa or MasterCard, please complete the information below.

AIR TRANSPORTATION

Arrangements have been made with Travel Planners, Inc. (TPI) for special airfares on American and United for air transportation to San Francisco for this Symposium. These discounts offer 5% off the lowest published fares. Seats are limited, and some restrictions apply, so please make your reservations early. These discounts are available ONLY by calling the toll free numbers below anytime between 7:00 a.m. and 10:00 p.m. (Central Time).

American Airlines 1-800-433-1790 FILE #89084
United Air Lines 1-800-521-4041 FILE #535VC

Flight schedule, billing (by check or credit card), seating request, special meals, frequent flyer mileage credit, and rental car may all be arranged with one simple call. Your tickets and boarding passes will be mailed to you by TPI.
