

## Appendix D

### Provider Performed Microscopy

**Physician competence is verified annually by an online competency program. The following PPM are currently performed in the hospital and clinics:**

- All potassium hydroxide (KOH) preparations (QO11 2)
- Wet mounts, including preparation of vaginal, cervical or skin specimens (QO111)
- Pinworm examinations (QO1 13)
- Ferntest (Q0114)
- Urinalysis, microscopic only (CPT 81015)
